Mr. Werner,

Thank you for your time this morning to discuss this matter. I represent Cross Oil Refining & Marketing, Inc. (Cross).

Please consider this Cross's response to the EPA's February 20, 2015 General Notice Letter. As we discussed, this mwas dropped through the cracks on my end.

Cross intends to enter into settlement negotiations with the EPA concerning this matter.

As you indicated, we should expect that the group with potential exposure will get together some time during the first half of next year.

In the meantime, my contact information is below.

Thanks,

jbb
